CHRISTMAS SPLENDOUR

JEWEL-LIKE INTERIORS IN LONDON, SOMERSET AND OXFORDSHIRE

Vibrant poppies, irises and lupins in rich reds, pinks and purples stand out against zingy lime-green euphorbias in a striking scheme that transitions seamlessly into glorious wildflower meadows

Blurring the boundaries

With painterly plantings that merge into naturalistic meadows and blend with the countryside beyond, Jane Brockbank has created a colourful garden that flows harmoniously down a Chilterns hillside
